

GREATER MONTGOMERY AREA CHAMBER OF COMMERCE

FOUNDERS' CLUB

The Village of Montgomery was founded in 1835 and is proud of its rich history. The GMACC also has a proud history. Founder, Alice Sutcliff, established the Montgomery Chamber in 1999 with the intent of bringing business and community together. It is through her initial leadership and support throughout her life that has helped to establish the strength of our Chamber today. For this we are truly grateful.

It is only fitting, therefore, that a portion of the new **FOUNDERS' CLUB** membership level dues will be used to establish and maintain the Alice Sutcliff Memorial Scholarship Fund.

The FOUNDERS' CLUB provides members with opportunities to maximize their business and community outreach via GMACC resources, support the Alice Sutcliff Memorial Scholarship Fund and support the growth of the Montgomery Chamber organization.

FOUNDERS' CLUB Member Benefits Include:

- All General Membership benefits
- **FOUNDERS' CLUB** plaque for your company
