Earthmover Credit Union Honored with Regional Accolades

ECU was the 2nd place winner of the Dora Maxwell Award and honorable mention recipient of the Louise Herring Award for the \$250 million to \$1 billion asset category in 2022.

"We strive to make a difference in our community year after year," Vice President of Marketing & Business Development Janel Cabadas said. "It is always an honor to be recognized for our efforts in the community. Our work has such a positive impact on our community, which makes it the most rewarding."

FIRST 10 CLIENTS FREE (\$97 VALUE)

Ivy Hall Sensory Dispensary officially opened to the public on Friday, April 28. Locally-owned Village Grind Coffee & Tea provided free coffee, and Donuts and pastries were provided to customers by Harner's Bakery as well. Customers were lined up out the door before 9am anxiously awaiting to see the space and their special free cannabis gift. The interior decor, the laid-back vibes, the unique ancillaries they have to offer, and the friendly and approachable staff are what sets Ivy Hall apart from its counterparts. Their goal is about destigmatizing Cannabis and the consumption of it, and enhancing the experience through education and awareness, all while meeting the consumer wherever they're at in their cannabis journey with a welcoming environment.

Ivy Hall is recreational only and is 61% black-owned, making it a social equity dispensary; the first social equity dispensary to serve the western suburbs and its surrounding communities. Montgomery is the 4th store location to open since their induction in November '22 in the Bucktown neighborhood of Chicago.

They offer a variety of daily discounts, a referral program, along with online ordering for pick-up. More information can be found at their website. Ivyhalldispensary.com | M-Th 9-9pm, F-Sa 9-10pm, Sun 10-6pm.
